

Finca del Cielo - A farmhouse holiday in Andalucia

Situated at the top of a winding, largely concreted track, Finca Del Cielo is an old farmhouse some 3.5 kilometres from the hilltop town of Iznajar, 90 kilometres north of Malaga, and 80 kilometres west of Granada.

Recently restored and sympathetically extended, the farmhouse provides a relaxing environment and an ideal base from which to explore Andalucia.

The finca has an 8x4 metre swimming pool which opens out to views over the lake to the mountains above Loja in the far distance.

In addition, there are 2 further terraces, each enjoying views of the lake and hills beyond.
